# Power & Trick Shot Shows

Dynamic Events

Make your organization stand out with a fantastic, **fun-filled golf experience**. Invite Josh to captivate and entertain your guests with his **power drives, humor and trick shots**.

Audiences are amazed to see him hit a putter **over 250 yards**, blast drives over 400 yards, swing a driver **over 9 feet long**, pop a golf ball out of his mouth and drive it 275 yards, and hit a ball **200 miles per hour** through a piece of plywood.

Throughout the Show, Josh parallels the **fundamentals** of a good golf swing with how to **succeed in life**. Most Shows can kick-off or wrap up the tournament and range from **30 to 60 minutes** long.

“Wow, it was a fantastic experience having you at our tournament. Our clients continue to thank us for bringing you in. Thank you for making our day the greatest success in the history of our tournament.”

Frank Jefferson, Events Director
